

Technology Showcase and Access to Capital Seminar

FOR THE SMALL AND MEDIUM-SIZED MANUFACTURER

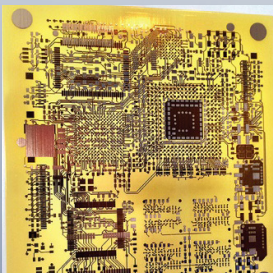

Thursday, February 20, 2020

11:30 am – 1:30 pm

**Owens Valley Career Development Center (CDC)
1001 Tower Way #225, Bakersfield, CA 93309**

REFRESHMENTS PROVIDED. **RSVP REQUIRED.**

Join a group of industry experts in Kern County to learn about advances in manufacturing technologies. Hear how Smart Manufacturing, Robotics, and Machine Vision technologies are changing the way in which products are made. Developing innovative solutions will improve your bottom line and value to your customers. Be ready when business growth opportunities arise with strategies for procurement of capital as needed.

RSVP: [HTTPS://KERN-COUNTY-TECHNOLOGY-SHOWCASE-FOR-MANUFACTURERS.EVENTBRITE.COM](https://kern-county-technology-showcase-for-manufacturers.eventbrite.com)

- ▶ Robotics and Industrial Machine Vision for Part Tracking, Inspection and Defect Detection
