USC Capital Access Workshop

June 22nd, 9 AM to 1 PM

The USC Center for Economic Development (CED) will hold a free online workshop and bring together representatives from government, financial institutions, mission-based lenders, and philanthropic organizations to discuss how small businesses and manufacturers, and especially minority- and women-owned businesses can access capital.

Experts from various organizations will identify grants and loan products, underwriting criteria, types of businesses served, rates and terms, requirements, and provide their contact information.
